

CANADIAN TIMBER COLLECTION

INTRODUCING THE NEW AVALON SAUNA

**MORE SPACE. MORE COMFORT.
THE ULTIMATE SAUNA EXPERIENCE.**

The **Avalon Sauna** is the newest addition to our Canadian Timber Collection, designed to deliver exceptional heat, lasting durability, and timeless style.

EASTERN WHITE CEDAR

Naturally beautiful, aromatic, and resistant to decay and insects. Eastern White Cedar is the traditional choice for authentic sauna experiences.

THREE TIER SEATING

Three levels of seating allow you to choose your perfect heat. The higher you sit, the hotter it gets — for a customizable sauna experience.

EXTRA WIDE DOUBLE GROOVE LUMBER

Built with substantial 2¾-inch double-groove Eastern White Cedar log walls for exceptional durability, natural beauty, and the classic character of a true timber sauna.
